

JDL Rally For Freedom

with
Paul Weston
leader of the new
Freedom Party
in **England**

Following in the footsteps of Geert Wilder's Freedom Party of the Netherlands, Mr. Weston's goals are to counteract the spread of ...**fundamentalist Islam in Britain.**

His platform consists of:

- **Stopping Immigration from Countries that promote the Muslim Brotherhood.**
- **Repairing the damage done to the nation's education system.**
- **Tackle the growth in crime.**
- **Promote British values and culture.**

We have witnessed the spread of fundamentalist Islam across Europe and are witnessing the same trend in North America. An evening with Paul Weston will shed light on this issue and how to keep North America free.
